

# MOIN AHMAD

## Frontend Developer & UI/UX Designer

Passionate Frontend Developer and UI/UX Designer with expertise in React, Next.js, and modern web technologies. Skilled in creating intuitive user interfaces, optimizing web performance, and delivering seamless user experiences across web and mobile platforms.

## WORK EXPERIENCE

### Destiny IT Pvt. Ltd.

2024 - PRESENT

Associate Software Developer (Offline)

- Developed and maintained official company websites and admin dashboards using React and Next.js
- Implemented responsive UI components with TailwindCSS and Material-UI for optimal user experience
- Optimized website performance achieving 30% improvement in page load speed through lazy loading
- Collaborated with design team to translate UI/UX wireframes into functional frontend code

### Unitifusion Tech Solutions

Feb 2025 - October 2025

UI/UX Design Intern (Remote - Night)

- Designed modern and intuitive user interfaces for unityfusion.in website and dashboard
- Created wireframes, prototypes, and high-fidelity mockups using Figma for client approval
- Developed payment processing page UI similar to Razorpay for seamless user transactions
- Conducted user research and implemented accessibility improvements for better UX

## PROJECTS

### Koderoute.com

JULY 2025 - AUGUST 2025

Built a complete frontend website with Google Sheets integration as database. Implemented real-time data sync, form submissions, and dynamic content loading. Used React for UI components and API integration for seamless sheet connectivity.

### Pretender Dashboard

Nov 2025

Developed a dashboard for managing tenders, MIS reports, and work-orders. Implemented frontend with React, integrated REST APIs, and used TanStack Query for efficient state management and real-time data caching across modules.

### UnityFusion Website & Gateway

Feb 2025 - June 2025

Designed complete UI/UX for unityfusion.in website and admin dashboard. Created Razorpay-style payment gateway page for seamless transactions. Used Figma for prototyping and delivered mobile-responsive design with modern aesthetics.
